NTU ESG Investing Online Summer Program

July 18 - July 29, 2022

Environmental, Social and Governance

- Explore the ESG Investing in post-pandemic market -

Overview

NTU ESG Investing Summer Program is a two-week online program taught in English offered by the College of Management and provides students with a unique and exciting opportunity to study at National Taiwan University. Students will be able to attend synchronous online courses, cultural lectures and activities. With the well-designed combination of diverse synchronous courses and activities, students will still have real-time instruction and live interactions with faculty and class-mates.

Course

ESG Investing (2 Credits)

This intensive course explores the key issues and policies that drive ESG Investing. Through a combination of cases, guest speakers and lectures, students will be introduced to the key concepts underlying ESG, environmental sustainability, strategic governance, and social responsibility. We also look at the key measurement systems for ESG compliance and investment decision-making.

Cultural Lectures & Activities

To supplement learning in class lectures, we will offer number of online cultural lectures and virtual tour. Through the virtual tour, students will still be able to embark on a wonderful journey in Taipei.

Exploring Taiwan through Musical Culture: Tradition and Innovation

This lecture introduces students to important musical genres and their historical and social contexts in Taiwan, and shows how Taiwanese musical heritage can be transformed into contemporary creative production.
