

Universidad de Navarra
School of Science

**ADMISSION APPLICATION FORM
RESEARCH TRAINING PROGRAM (RTP)
2011-2012**

Admission requirements:

- Pass all first-year and second-year courses.
- Certify a level of English equivalent to or higher than the fourth level at the Official School of Languages, Level B2 of the Common European Framework of Reference or the first Certificate awarded by the University of Cambridge. *If you don't have any evidencing title, you can make a test level in the Languages Institute.*
- The applicant's academic transcript and *curriculum vitae* will be taken into consideration during candidate selection, in addition to a personal interview.

For more information about the RTP:

http://www.unav.es/facultad/ciencias/diplomas_grado

This application form must be submitted before the 30 March in the Secretary of the School of Sciences.
