

## MEDICINE SCHOLARSHIP PROGRAM – PROFESSOR JIMÉNEZ VARGAS

Regulations for the 2026-2027 academic year

### 1. PRESENTATION

The Faculty of Medicine of the University of Navarra announces **the V Edition of the Medicine-Prof Jiménez Vargas Scholarship Program**, for students with an excellent academic record in high school and financial difficulties to pursue their Bachelor of Medicine studies at the University.

Students who access the Program will be able to enjoy the aid each year as long as they meet the scholarship renewal requirements established in the corresponding regulations.

### 2. SCHOLARSHIP CHARACTERISTICS

Each year **5 scholarships** will be awarded to first-year students. After carrying out an exhaustive analysis of the family financial situation, if a scholarship is granted, the amount of the scholarship will be determined on an individualized basis. In doing so, consideration will be given to the tuition fee, any other scholarships the student will receive, and the family's financial contribution toward the student's studies at our University.

The scholarship will be applied by reducing the amount of the official tuition price and can cover **up to 70%** of its cost. The concession will mean that, if the renewal criteria are met, the University will maintain said percentage of aid on the ordinary tuition fee during the 6 years of the degree.

### 3. REQUIREMENTS, DOCUMENTATION AND APPLICATION DEADLINE
