

Descuento por pronto pago para la matrícula 22-23

La Universidad de Navarra ha aprobado un descuento por pronto pago del 5% para aquellos futuros alumnos que solicitan la admisión a primer curso de grado y de máster, que estén admitidos y que abonen la totalidad de su matrícula antes del 26 de febrero de 2022 en grado y hasta el 15 de marzo en máster*.

- 1.El descuento por pronto pago es compatible con el descuento por familia numerosa, descuento Alumni y el plan de incentivación siempre que se cumplan con todas las condiciones. Si el futuro alumno tiene un Estudio de Coste y Becas resuelto, estos serán tenidos en cuenta en el precio ofrecido y el pronto pago se aplicará sobre ese importe final.
- 2.Si el futuro alumno no tiene un Estudio de Coste y Becas, pero, indica que es familia numerosa o descuento Alumni, se le aplicará en primer lugar, los descuentos, y seguidamente el pronto pago.
- 3.El descuento por pronto pago no es compatible con las Becas Alumni de la Universidad de Navarra. En el caso de preferir el pronto pago, deberá renunciar a la beca concedida enviando un correo electrónico a becasalumni@unav.es.
- 4.Tampoco es compatible con el resto de convocatorias de becas propias de la Universidad, tanto de Grado como de Máster.
- 5.Sí que es compatible con las becas públicas del Ministerio de Educación, Gobierno Vasco y Gobierno de Navarra, aunque esta última convocatoria puede restar el importe del descuento a la beca de matrícula concedida, de forma que no se acumulen. Aun así, el resto de conceptos de ayuda se percibirán en la cuantía que corresponda.

Prompt Payment Discount for Tuition 22-23

The University of Navarra has approved a 5% discount for early payment for those future Bachelor's and Master's degree students who are applying for a first year admission, have already been admitted and who pay their full tuition before February 26, 2022 in the Bachelor's degree and until March 15 in the Master's degree*.

- 1.The discount for prompt payment is compatible with the discount for large families, the Alumni discount and the incentive plan as long as all the conditions are met. If the future student has a resolved Cost and Scholarship Study (Estudio de Coste y Becas), this will be taken into account in the price offered and the prompt payment will be applied to that final amount.
- 2.If the future student does not have a Study of Cost and Scholarships, but indicates that they are a large family or he is entitled with the Alumni discount, the discounts will be applied first, and then the prompt payment.
- 3.The discount for prompt payment is not compatible with the Alumni Scholarships of the University of Navarra. In the case of preferring prompt payment, you must renounce the scholarship awarded by sending an email to becasalumni@unav.es.
- 4.It is also not compatible with the rest of the University's own scholarship calls, both for Bachelor's and Master's degrees.

5.It is compatible with public scholarships from the Ministry of Education, the Basque Government and the Government of Navarra, although this last call may subtract the amount of the discount from the tuition scholarship granted, so that they do not accumulate. Even so, the rest of the aid concepts will be received in the corresponding amount.

*From March 16 to May 1, 3% and can be applied depending on budget availability.
