

MOBILITY SCHOLARSHIP PROGRAM-TECNUN

Regulations for the 2026-2027 academic year

1. PRESENTATION

The School of Engineering of the University of Navarra (Tecnun), announces the **VI Edition of the Mobility Scholarship Program** for undergraduate studies during the 2026-2027 academic year.

This aid is intended for students who must reside outside the family home during the academic year, and will be applied by reducing the tuition fee. The amount will be calculated individually based on the student's situation, and **can cover up to 40% of the tuition cost**.

2. APPLICANTS REQUIREMENTS

a) Access to the program

- Need to reside outside the family home during the academic year.
- Minimum average grade in Bachillerato or equivalent: 8.5 out of 10.
- Maximum per capita income over the last two years: €20,000.

b) Renewal of the scholarship

- Pass all ECTS enrolled in the 2025-2026 academic year between the 1st and 2nd call.
- Maximum per capita income in 2025: 18,000 euros.

3. SCHOLARSHIPS DOCUMENTATION AND APPLICATION DEADLINE

a) Access to the program

- To access the Program it is necessary to request admission to the School of Engineering through the [miUNAV portal](#), and complete the Cost and Scholarship Study throughout the process.
- If the requirements established in this call are met, the future student will be shown the option to apply for this scholarship in the result of their assessment, under the SCHOLARSHIPS AND AID tab in the miUNAV portal.
- To formalize the application, the candidate must submit, via the APPLY button, the following documentation:
 - Brief report explaining the reasons why you need this scholarship.
 - Income tax return for the year 2023 of all family members who have submitted it. If you do not make the declaration, provide a statement from a public accountant or notary indicating the income received by the family unit in said years.
- There is a **single application** period that ends on **March 14, 2026**, with **resolution** on **April 16, 2026**.

b) Renewal of the scholarship

- It is necessary to request renewal of the scholarship at the end of each course.
- Through the **Help/Contact menu** on the [miUNAV portal](#), students who have enjoyed this help in the 2025–2026 academic year and have passed all the subjects taken must provide the following documentation:
 - Income tax return for the year 2025 of all family members who have submitted it. If you do not make the declaration, provide a statement from a public accountant or notary indicating the income received by the family unit in said years.
- The deadline to request renewal is **from June 1 to 15, 2026** and the resolution will be communicated **from June 30, 2026**.

4. SCHOLARSHIP CHARACTERISTICS

- The Mobility Scholarship is compatible with University discounts provided that the total does not exceed 70% of the tuition cost (for example, large family discount, honors enrollment discount, University affiliation discount, etc.), unless explicitly stated otherwise. The resolution will indicate the total aid granted to the student in each case.
- It is not compatible with other scholarship programs offered by the University of Navarra, nor with the Early Payment Discount.
- The scholarship is requested when starting studies at Tecnun. It cannot be requested once the student is in higher courses.
- The amount granted will be applied at the time of enrollment, once compliance with the requirements for average grade, residence, and renewal (if applicable) has been verified.

5. ACCEPTANCE

The acceptance of the Mobility Scholarship will be confirmed once the student pays the enrollment fee within the deadline established by the Admission Service, in accordance with the instructions and the timeline communicated in the resolution of their scholarship application.

6. RECOVERY OF THE SCHOLARSHIP

If a student who is a beneficiary of this call for scholarships does not meet the academic or financial requirements to renew it in higher years, he or she may apply for it again in subsequent years as long as he or she meets the renewal requirements established in the call.
