Aptitude Test
Logic Reasoning

INSTRUCTIONS

In this test you will have a series of figures located to the left of the page. Each of these series has omitted one of the figures that forms part of it.

You must choose, among the five alternatives on the right, the figure that, as a result, completes the series on the left.

You must indicate your answer by filling in the corresponding box to the letter that identifies the chosen figure, in the answer sheet.

Now answer the following examples.
