

Entry Requirements

The admission of applicants to the Ph.D. program in Natural and Applied Sciences follows the principles of respect for human rights and equality of opportunities between men and women, as well as the principle of universal accessibility. Access to the doctoral program is governed by current regulations published in the Official State Gazette (and, when appropriate, in the Official Gazette of Navarra). Applicants admitted to the Doctorate Program, prior to enrollment, must evidence the legal requirements for entry in the manner specified by current Spanish regulations.

The current regulations are reproduced in the Spanish version of this webpage.
