

NAVARRA CENTER FOR INTERNATIONAL DEVELOPMENT

ics
Universidad
de Navarra

An interdisciplinary team of economists, political scientists and sociologists, that work together to conduct comparative case studies on countries that suffer from extreme poverty. Our goal is to eliminate poverty through research and policy recommendations.

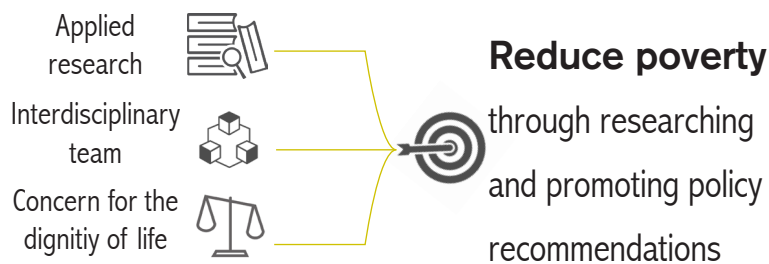

RESEARCH LINES

1. INNOVATION
Increase productivity
in least developed
countries

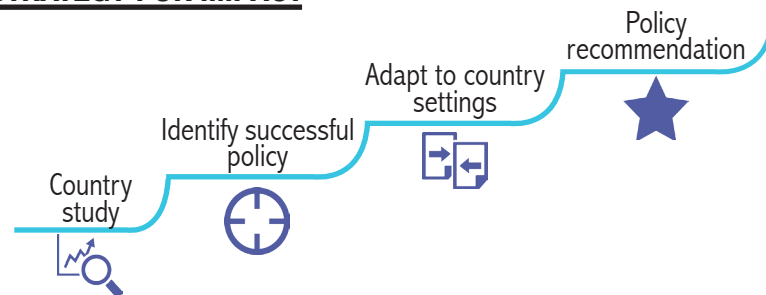

**2. INSTITUTIONAL
DEVELOPMENT**
Institution building,
monetary stability,
violence and
corruption

3. MIGRATION
Knowledge transfer

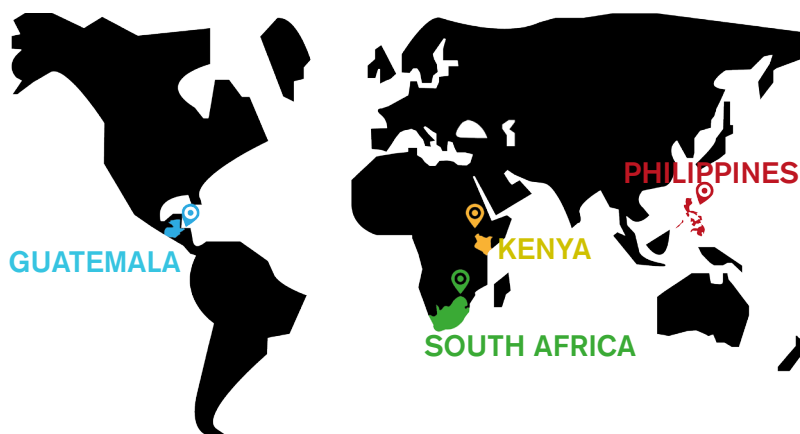

THE APPROACH

STRATEGY FOR IMPACT

FOCUS COUNTRIES

GOOD INTENTIONS + QUALITY RESEARCH
= POVERTY ALLEVIATION
