DECLARES that has read information related to medical insurance that is published on the website <https://www.unav.edu/web/admision-y-ayudas/asistencia-sanitaria> and has been informed that he/she should take out a health insurance.

- 1) In case of European citizens, they must obtain the European Health Card before leaving their country of origin, in order to be able to receive medical assistance in Spain. In addition, he/she is aware of the different types of coverages offered by the Spanish Social Security.
- 2) In case of citizens coming from countries with bilateral agreements with Spain (see countries: <http://www.seg-social.es/wps/portal/wss/internet/InformacionUtil/32078/32253?changeLanguage=en>), it will be necessary to obtain the required authorization before leaving their country, in order to receive medical assistance in Spain. In addition, he/she is aware of the different types of coverages offered by the Spanish Social Security.
- 3) He/She is aware that the University of Navarra offers the possibility of taking out a private health insurance with ACUNSA or alternatively EXPAT (the latter is a travel insurance) in case he/she is not a citizen of the countries mentioned above. This private health insurance could also be taken out even if he/she has a European Health Card or an authorization.
- 4) Additionally, he/she assumes liability for risks and costs incurred in the event of not having taken out a health insurance.
