BRIEF PROGRAM OVERVIEW

The Pre-College Program is designed for incoming juniors and seniors interested in the intellectual challenge of a true undergraduate experience. Participants will enjoy three weeks of cultural and language immersion in Spain, each week in a different campus of the Universidad de Navarra: Madrid, Pamplona and San Sebastián.

Every student that completes the program will receive official credit by the Universidad de Navarra. ILCE programs are taught by outstanding local professors from the Universidad de Navarra and by distinguished invited professors from other universities such as Columbia University, University of Miami, and Rutgers University.

The official arrival date at Madrid is **June 30th**.

PROGRAM OF STUDY

Students will take two courses: **Experiential Learning: Cities of Spain** (45hours), and **Spanish Communication** (45hours). We offer intermediate and advance level Spanish classes. All courses are conducted in Spanish from the beginning of the program.

Each week the program will focus on a particular theme that directly relates to Spain, and the local history and culture. The weekly co-curricular activities are led by ILCE professors and designed to enrich cultural immersion in Spain to better integrate the host culture. Students will have the opportunity to visit many historical sites, learn about the country's unique history, and become immersed in Spanish culture.
