TECHNICAL REQUIREMENTS FOR TAKING THE EXAM

- Desktop or laptop computer (**smartphones and tablets are not allowed**).
- Stable internet connection.
- Webcam and microphone (integrated if the computer is a laptop). If a webcam needs to be purchased, it must have a minimum resolution of 320x240 VGA.
- Google Chrome browser with the "Proctorio" extension installed and activated.
- Mac-iOS users must ensure that they have Chrome properly configured and can use it instead of Safari.

SECURITY AND VERIFICATION MEASURES DURING THE TEST

To ensure the rigor of the exam and that it takes place with the utmost guarantees, the monitoring tool will perform the following actions:

- Take photos of the candidate to verify their identity.
- Verify the candidate's identification using ID or passport.
- Record video.
- Record audio.
- Record computer and screen activity.
- Record web traffic.

Recordings will be used exclusively to evaluate the admission test and will only be supervised by the Admission Committee.

CONDITIONS FOR THE CORRECT COMPLETION OF THE EXAM

For the correct completion of the exam and to ensure that there are no academic incidents that could invalidate the exam, follow these instructions:

- Have only one monitor plugged into and connected to the computer.
- Keep the computer continuously connected to the power grid to avoid battery failures.
- Close all open programs.
- Open only one Google Chrome browser window and maximize it.
- Navigate only within the content of the exam. Important: do not use the "forward" and "back" buttons in the browser during the exam.
- Take the exam in a well-lit room.
- Ensure that the Internet is functioning correctly before starting the exam.
- Keep the table where the exam is taken completely clean: only the ID or passport is needed.
- The mobile phone must be placed outside the table once the exam has started.
- Use the bathroom before the start of the test, as leaving once the exam has started is not allowed.
- Calculator use is not allowed.
- Talking or listening to music is not allowed. The microphone detects and records ambient sound and reports it as an incident.
- Avoid abnormal movements, such as bending down or continuously looking away from the screen.
- Each question has only one correct answer.
- Incorrect answers do not result in negative points.

Any attempt to use any program outside of Google Chrome, open other browser tabs, take screenshots, or any other use of the PC/Mac will be recorded as an incident and may lead to disqualification.

CONTACT

In case of technical issues, immediately contact the Admission Service through the **Help chat** available on the exam page. Not during the test you are taking. If you cannot access the exam platform, you can contact us at the phone number **(+34) 948 425614**. Only and exclusively in these cases is it justified to use the mobile phone.
